

# *Geaux Global | Teach In Chile*

## **Santiago, Chile**

***Saturday, June 2, 2018 – Friday, June 22, 2018***

The Geaux Global in Chile professional development program provides in-service and pre-service teachers the unique opportunity to teach in a Chilean classroom in partnership with Chilean teachers and students. The English focused school and the LSU team provide enriching professional development experiences for all participants. In addition to classroom experiences and professional development, participants live with host families and are able to better understand the cultural, emotional, and developmental supports provided to second-language learners.
